

H.E.R., Fight For You (utwór z filmu 'Judas and the Black Messiah')

All the smoke in the air
Feel the hate when they stare
All the pain that we bear
You better be aware

Their guns don't play fair
All we got is a prayer
It was all in their plans
Wash the blood from your hands

Freedom for my brothers
Freedom cause they judge us
Freedom from the others
Freedom from the leaders
They keepin' us

Freedom gon' keep us strong
Freedom if you just hold on
Freedom ain't free at all

i am gon' set it through
there's no one
there's no one like you
long as i am standing
we can never lose

i am always, always fight for you
i am always, always fight for you

mental institution
cause in so much confusion
seems the only solution
is a new evolution

we can't take it no more
no, it can't be ignored
when they knock on your door
will you be ready for war?

Freedom cause they need us
Free from how they see us
Freedom won't you free us?
Freedom doesn't hang from the trees

Freedom from injustice
Freedom from corruption
They aiming for destruction

And you know
They gon' set it through
there's no one
there's no one like you
long as i am standing
we can never lose

i am always, always fight for you
i always fight for you

set it through
there's no one
there's no one like you
for you, for you
fight for you
