Martin Garrix & Dua Lipa, Scared To Be Lonely

It was great at the very start
Hands on each other
Couldn’t stand to be far apart
Closer the better

Now we’re picking fights and slamming doors
Magnifying all our flows
and I wander why
Wonder what for?
Why we keep coming back for more?

Is is just our bodies
Are we both loosing minds
Is the only reason you’re holding me tonight
Coz we’re scared to be lonely
Do we need somebody
Just to feel like we’re alright?
Is the only reason you’re holding me tonight
Coz we’re scared to be lonely

Too much time
Loosing track of us
Where was the real?
Undefined
Spiraling out of touch
Forgot how it feels

All the fucked fights
Magnifying all our flows
and I wander why
Wonder what for?
Why we keep coming back for more?
