

# Halsey, Eyes Closed

## [Verse 1]

I, I know where to lay  
I know what to say  
It's all the same  
And I, I know how to play  
I know this game  
It's all the same

## [Chorus]

Now if I keep my eyes closed, he looks just like you  
But he'll never stay, they never do  
Now if I keep my eyes closed, he feels just like you  
But you've been replaced  
I'm face to face with someone new

## [Verse 2]

Would've gave it all for you, cared for you  
So tell me where I went wrong  
Would've gave it all for you, cared for you  
(My lover, my liar)  
Would've traded all for you, there for you  
So tell me how to move on  
Would've traded all for you, cared for you  
(My lover, my liar)

## [Chorus]

Now if I keep my eyes closed, he looks just like you  
But he'll never stay, they never do  
Now if I keep my eyes closed, he feels just like you  
But you've been replaced  
I'm face to face with someone new

## [Bridge]

He don't realize that I'm thinkin' about you  
It's nothing new, it's nothing new

## [Chorus]

Now if I keep my eyes closed, he looks just like you  
But he'll never stay, they never do  
Now if I keep my eyes closed, he feels just like you  
But you've been replaced  
I'm face to face with someone new
