

# Halsey, Finally // beautiful stranger

[Verse 1]

Your eyes, so crisp, so green  
Sour apple baby, but you taste so sweet  
You got hips like Jagger and two left feet  
And I wonder if you'd like to meet  
Your voice is velvet through a telephone  
You can come to mine, but both my roommates are home  
Think I know a bar where they would leave us alone  
And I wonder if you'd take it slow

[Pre-Chorus]

Oh, we're dancin' in my living room, and up come my fists  
And I say I'm only playing, but the truth is this  
That I've never seen a mouth that I would kill to kiss  
And I'm terrified, but I can't resist  
And I said

[Chorus]

Beautiful stranger, here you are in my arms and I know  
That beautiful strangers only come along to do me wrong  
And I hope, beautiful stranger, here you are in my arms  
But I think it's finally, finally, finally, finally, finally safe  
For me to fall

[Post-Chorus]

Oh-oh-oh  
Oh-oh-oh

[Verse 2]

I grab your hand and then we run to the car  
Singing in the street and playing air guitar  
Stuck between my teeth just like a candy bar  
And I wonder if it goes too far to say  
I've never recognized a purer face  
You stopped me in my tracks and put me right in my place  
Used to think that loving meant a painful chase  
But you're right here now and I think you'll stay

[Pre-Chorus]

Oh, we're dancin' in my living room, and up come my fists  
And I say I'm only playing, but the truth is this  
I've never seen a mouth that I would kill to kiss  
And I'm terrified, but the truth is this  
I said

[Chorus]

Beautiful stranger, here you are in my arms and I know  
That beautiful strangers only come along to do me wrong  
And I hope, beautiful stranger, here you are in my arms  
And I think it's finally, finally, finally, finally, finally safe  
For me to fall

[Post-Chorus]

Oh-oh-oh  
Oh-oh-oh  
Yeah, I think it's finally, finally, finally, finally
