

# Harry Styles, Ever Since New York

Tell my something /2x  
You don't know nothing  
Just pretend you do  
Tell my something  
Tell my something new  
Choose your words  
Curse there no antidote  
For the curse of what  
Wou are waiting for  
Must this hurt you  
Just before you go

Tell me something  
I don't already know  
/2x

Brooklyn's for me  
Anti avenue  
There no water  
Fight to swim pull almost over  
That's enough from you  
I've been prayin'  
Tell the difference for understand  
I've been thinking  
I'm talking to the wall  
Stop any prayin'  
Ever Since New York

Tell me something  
I don't already know
