

Harry Styles, Ever Since New York

Tell my something /2x
You don't know nothing
Just pretend you do
Tell my something
Tell my something new
Choose your words
Curse there no antidote
For the curse of what
Wou are waiting for
Must this hurt you
Just before you go

Tell me something
I don't already know
/2x

Brooklyn's for me
Anti avenue
There no water
Fight to swim pull almost over
That's enough from you
I've been prayin'
Tell the difference for understand
I've been thinking
I'm talking to the wall
Stop any prayin'
Ever Since New York

Tell me something
I don't already know
