Meghan Trainor, Badass Woman (piosenka z film

I’m a badass woman
what’s wrong with that?
can’t hold me back
I’m a badass woman
just made like that
but I’m proud of that
cause I’m a badass woman

never second guess me
cause, baby, I’m the boss
can’t underestimate me
cause I’m the one in charge

I am smarter than you give me credit for
and I’m was stronger than I ever been before
I’m a force of nature that you can’t ignore
you can’t ignore, you can’t ignore no more

I’m a badass woman
what’s wrong with that?
can’t hold me back
I’m a badass woman
just made like that
but I’m proud of that
cause I’m a badass woman

never saying sorry
for saying what’s on my mind
and I don’t need a body
to prove I’m worth your time

I am smarter than you give me credit for
and I’m was stronger than I ever been before
I’m a force of nature that you can’t ignore
you can’t ignore, you can’t ignore no more

I’m a badass woman
