

Harry Styles, She

9 in the morning
the man drops his kids off at school
and he's thinking of you
like all of us do
sends his assistant for coffee in the afternoon
around one thirty 2
like he knows what to do

she
she lives in a daydreams whit me
she's the first one that I see
and I don't know why
I don't know why

he takes a bout out
imagines just sailing away
not telling his mates
he wouldn't know what to say

she
she lives in a daydreams whit me
she's the first one that I see
and I don't know why
I don't know why

she
she's the first one that I see
she lives in daydream whit me
and I don't know why
I don't know where she is

lives for the memory
a woman she's just in his head
and she sleeps in his bed
while he plays pretend
so pretend

she
she's the first one that I see
she lives in daydream whit me
and I don't know why
I don't know where she is
