Michele Morrone, Feel it (piosenka z filmu 365 dn

I don’t wanna keep you waiting
that’s why you blame it on me
you just give me a secret
and I wanna

coz’ this one was on you, baby
this only true, yeah

I am gonna feel, feel it so strong
this is making me alive
you don’t even have to say bye
I am gonna feel, feel it so strong
this is making me alive
we don’t even have to say goodbye

I wanna you
this is making me alive
we don’t even have to say goodbye
I wanna you
this is making me alive
we don’t even have to say goodbye

you don’t even have to play this
that’s what they expected form me
I don’t ever make you …
this is about you

coz’ this one was on you, baby
this only true, yeah

I am gonna feel, feel it so strong
this is making me alive
you don’t even have to say bye
I am gonna feel, feel it so strong
this is making me alive
we don’t even have to say goodbye

I wanna you
this is making me alive
we don’t even have to say goodbye
I wanna you
this is making me alive
we don’t even have to say goodbye
