Have it your way
Our sadwithces , they only cosrt a dime
And we serve no pest, before it is time

You pai dat Wend's and the Colones

So there's no need to worry
If you scurry down to Rats on a budget

I love Rats on a budget
Haveobe withe everything on it
You love Rats on a budget
It is tine , time has finally come

You deserve a pest today
It tastes better
Have it your way
Our sadwithces , they only cosrt a dime
And we serve no pest, before it is time
