Michele Morrone, Watch Me Burn (utwór z filmu 3

don't lie to me
(hold on)
oh baby I've been thinking about it
you know, that I've been dreaming about it!
(I am gonna teach you some!)

head light
hold tight
oh no, no, no!
oh baby I've been thinking about it
you know, that I've been dreaming about it!
you know the deal
don't make any promises, promises!

got me
flying high
right when you want me to
Watch it
watch Me Burn
right when you want me to
din delay my lullaby
touch me now
stop me now
don't pretend
fuck it!
Watch Me Burn

SAY WHAT YOU THINK
oh baby I can lose my mind over you
you know that I can lose my mind over you
who do you want me to be

head light
hold tight
oh no, no, no!
oh baby I've been thinking about it
you know, that I've been dreaming about it!
you know the deal
don't make any promises, promises!

got me
flying high
right when you want me to
Watch it
watch Me Burn
right when you want me to
din delay my lullaby
touch me now
stop me now
don't pretend
fuck it!
Watch Me Burn
