Mike Posner, Fun Up Here (ft. Logic)

i fell in love whit a sunset
i fell in love whit a cloud
I don’t remember how I got here
I just know I’m looking down
it’s fun up here, feelin’ real good
man, it’s fun up here
I am feeling real good

man, it’s fun up there
I’m feeling real good
I feel in love with my damn self
my freckles and my back
I feel in love whit the whole world
I know it loves me back

that’s why it put me high
it’s fun up here, feeling real good
it’s fun up here, I am feeling real good
I am just slidi’ down a rainbow
got a lot leg room
I ma lookin’ for my pot of gold
I know I’ll get soon

I got lobe in my blood, man
I am feelin’
 real yummy
John Hamilton and Attaman
I am keeping good company
I call my [pair of eyes ‘pretty’
and a rainy day is ugly
man, I ain’t got nothin’
so you can’t take nothin’ from me
‘cause it’s fun up here
I am real good
you know it’s fun up here
I am feelin’ real good
