Morning Teleportation, Salivating for Symbiosis

you’ve got the right
to free your own
and I’ll trust you well
coasue you feel so useless
and don’t care

..
come on
… just Salivating for Symbiosis
another daydream of hypnosis

don’t wanna to drink myself to death
I wanna to tell you I love you best

come on
… just Salivating for Symbiosis
another daydream of hypnosis
