Narcyz, Ala Tracz - I'll Be Standing (parodia)

I got a heart full of dreams
And they'll never go away
I have doubts, I have fears
But they won't get in my way

I'm gonna put in the world
I'm gonna make it all real
I'm not afraid of the path or the journey
I'm a gonna take all in
Every moment and day
I'm not gonna lose sight of what's me

Standing up
Rising up
Living in my dreams
Even when
Times get tough
I'll be standing
I'll be standing
I'll be standing
I'll be standing

Ooooo...
Ooooo...

It's pretty clear that it's real
The fire within me
Nothing's imposible
When I belive in me

I'm gonna put in the world
I'm gonna make it all real
I'm not afraid of the path or the journey
I'm a gonna take all in
Every moment and day
I'm not gonna lose sight of what's me

Powstać i silnym być
Żyć marzeniem swym
Nawet gdy coś zrani nas
Będę siłą
Będę siłą
Będę siłą
Będę siłą

Ooooo...
Ooooo...

Będę siłą
Będę siłą
