Natalia Moskal, Foreign Stranger

I don’t care
If you see me more than desperate
Because in my mind you did nothing to exist baby

Do you know
That you made me cold
..
But so angry

First you rock my world strongly
Than you let me go, baby
Now I left with all my tears
Now grab your crap and go to
Hell out of my house
I’m really tired of your games and your …
You newer show what you want
And when you won’t to

You thing you’re perfect but you really …
That’s not I was looking for when you met me
You aren’t

I don’t care
If you see me more than desperate
Because in my mind you did nothing to exist baby
