# Natalia Oreiro, United by love (Russia 2018)

find your way
never lose your faith
y levantate otra vez
nunca dejes de creer

in this world
la illusion
no va a caer
love will always take the throne
we are united by one love

s chesta iu pod
y edinym njebom
provuchat napevom
golasa vseh stran
toda Rusia se ilumina
llena de alegria
it’s your time to rise!
podnimite ruki vverh!
Put your hands up
come on show your spirit
Asi es la magia del mindial
everyone around the world can feel it
make it the best game of your life

que la paz sea nuestra bandera
no hay fronteras
lets unite
hoy ganamos todos, somos uno
United by love

un sueno se convierte en realidad
nothing can stop you
reach up for the stars
believe it, hey!
you got to keep the fight

s chesta iu pod
y edinym njebom
provuchat napevom
golasa vseh stran
toda Rusia se ilumina
llena de alegria
it’s your time to rise!
podnimite ruki vverh!
Put your hands up
come on show your spirit
Asi es la magia del mindial
everyone around the world can feel it
make it the best game of your life

que la paz sea nuestra bandera
no hay fronteras
lets unite
hoy ganamos todos, somos uno
