# Natasza Urbańska, Runnin' (Lose It All)

These 4 lonely walls have changed the way I feel
The way I feel, I'm standing still
And nothing else matters now, you are not here
So where are you?
I've been calling you, I'm missing you

Where else can I go? /2x
Chasing you, chasing you
Memories turn to dust, please don't bury us
I got you, I got you

Running /7x
Ain't runnin' from myself no more
Together we'll win it all
I ain't runnin',
Running /6x
Ain't runnin' from myself no more
I'm ready to face it all
If I lose myself, I lose it all

I've outrun the fears that chased, they are standing still
I'm running still, I'm running still
And every voice that cries inside my head, forever drives
Forever drives, into lights

Where else can I go? /2x
Chasing you, chasing you

Running /7x
Ain't runnin' from myself no more
Together we'll win it all
Running /7x
Ain't runnin' from myself no more
I'm ready to face it all
If I lose myself, I lose it all /4x
