Niall Horan, Flicker

when you feel your love’s been taken
when you know there’s something missing
in the dark, we’re barely hanging on
then you rest your head upon my chest
and you feel like there ain’t nothing left
so I’m afraid that we had us gone

then I think of the start
and it echoes a spark
and I remember the magic and electricity
then I look in my heart
there’s a light in the dark
still a flicker of hope that you first gave to me
and I wanna keep
please don’t leave /2x

when you lay there and you’re sleeping
hear the patterns of your breathing
and I tell you things you’ve never heard before
asking questions to the ceiling
never knowing what you’re thinking
cause I’m afraid that what we had is gone

then I think of the start
and it echoes a spark
and I remember the magic and electricity
then I look in my heart
there’s a light in the dark
still a flicker of hope that you first gave to me
and I wanna keep
please don’t leave /2x

and I want this to pass
and I hope this won’t last
last too long

then I think of the start
and it echoes a spark
and I remember the magic and electricity
then I look in my heart
there’s a light in the dark
still a flicker of hope that you first gave to me
and I wanna keep
please don’t leave /2x
