Nico & Vinz, Don’t Be Afraid

Don’t be afraid oh mama
Don’t be afraid for me
I’ll be okey tomorrow

I try to
I try to hde my feelings
Don’t want to bring you down
But today
I been feeling so low low
But you see my demons
You can read my mind
And you know
That i think you don’t know

nOw the everybody wanna see me
Like a star on their livingroom tv
You know how i am licvin’ ain’t easy
Mama

Don’t be afraid oh mama
Don’t be afraid for me
I’ll be okey tomorrow

Queen
I know you got eough to deal with
I want you to cry no more
Cry no more
I don;t wanna see it
Bur when you look into my eyes
I loose it
I am in pain
And i can’t refuse it
No, no, no, no!

nOw the everybody wanna see me
Like a star on their livingroom tv
You know how i am licvin’ ain’t easy
Mama

Don’t be afraid oh mama
Don’t be afraid for me
I’ll be okey tomorrow
