No Rome, Narcissist (ft. The 1975)

Took a picture of all my flaws
Or you can take a video on your phone
And you know that I would talk
But I'm too afraid to pick you up and go home
i’m feeling dazed like a magazine
finding my own sanity
wishing it’ll all go away
no we’re telling me profanities
maybe it was never ok

345, that’s where we stays
she told me I’m, a narcissist doing it again
took a bunch of acid and she told me, not again
new I’ve gotta tell her that I;m loving her friends
/2x

and I’ve been seeing somebody
but I’ve not found a way to tell you
that I’m seeing somebody
there’s not found a way to tell toy
that I’m seeing somebody
there’s not nice way for me yto say taht
I’ve been seeing somebody
you know I want you to be happy
since I’ve been seeing somebody
and then maybe we can get on with it

stay out late
I just wanna get stoned
telling all your friends that I’m never at home
and my face filling up with blood
but you’re still saying they don’t like your bourgeois
coughing upo the promethazine
living like an evergreen
sorry for the things that I’ve dome
now Selene won’t be friends with me
I was kissing Emily
I love you, it was never your fault

345, that’s where we stays
she told me I’m, a narcissist doing it again
took a bunch of acid and she told me, not again
new I’ve gotta tell her that I;m loving her friends

I’ve been seeing somebody
but I’ve not found a way to tell you
that I’m seeing somebody
there’s not found a way to tell toy
that I’m seeing somebody
there’s not nice way for me yto say taht
I’ve been seeing somebody
you know I want you to be happy
since I’ve been seeing somebody
and then maybe we can get on with it
