

# Jack Leopards & The Dolphin Club, Look What Y

I don't like your little games  
Don't like your tilted stage  
The role you made me play  
Of the fool, no, I don't like you  
I don't like your perfect crime  
How you laugh when you lie  
You said the gun was mine  
Isn't cool, no, I don't like you (oh)

But I got smarter, I got harder in the nick of time  
Honey, I rose up from the dead, I do it all the time  
I've got a list of names and yours is in red, underlined  
I check it once, then I check it twice (oh)

Ooh, look what you made me do  
Look what you made me do  
Look what you just made me do  
Look what you just made me—  
Ooh, look what you made me do  
Look what you made me do  
Look what you just made me do  
Look what you just made me do

I don't like your kingdom keys  
They once belonged to me  
You asked me for a place to sleep  
Locked me out and threw a feast (what?)  
The world moves on, another day, another drama, drama  
But not for me, not for me, all I think about is karma  
And then the world moves on, but one thing's for sure  
Maybe I got mine, but you'll all get yours

But I got smarter, I got harder in the nick of time (nick of time)  
Honey, I rose up from the dead, I do it all the time (I do it all the time)  
I've got a list of names and yours is in red, underlined  
I check it once, then I check it twice (oh)

Ooh, look what you made me do  
Look what you made me do  
Look what you just made me do  
Look what you just made me—  
Ooh, look what you made me do  
Look what you made me do  
Look what you just made me do  
Look what you just made me do

I don't trust nobody and nobody trusts me  
I'll be the actress starring in your bad dreams

I'm sorry, the old Taylor can't come to the phone right now  
Why? Oh, 'cause she's dead! (Oh)

Ooh, look what you made me do  
Look what you made me do  
Look what you just made me do  
Look what you just made me—  
Ooh, look what you made me do  
Look what you made me do  
Look what you just made me do  
Look what you just made me do
