Olly Murs, You Don’t Know Love

I don;t wanna be your lover
I don’t wanna be your fool
Pick me up whenever you want it
Throw me down when you’re through
Coz I;ve learned mere from what’s missing
It’s about you and not about you
I know I made some bad decisions
But my last one was you

Next to me you’re those lies, lies, lies
How it feels when love dies, dies, dies?
And you told me goodbye, bye, bye
I don’t know when it’s over
When it’s over

You don’t know love till it’s tears up your heart
And cuts it and leaves you with scars
You’re still feeling
You don’t know love
You don’t know love

You say I can’t do better
Better than someone like you
What I feel, can’t write in a letter
So I wrote this for you

Next to me you’re those lies, lies, lies
How it feels when love dies, dies, dies?
And you told me goodbye, bye, bye
I don’t know when it’s over
When it’s over

You don’t know love till it’s tears up your heart
And cuts it and leaves you with scars
You’re still feeling
You don’t know love
You don’t know love
