

# Jackson Wang, TITANIC (feat. Rich Brian)

I got your girl on panic  
iced out my wrist Titanic  
Like 2-1, I am on my savage  
no airport but I claim my baggahge  
I am on the run /2x  
your gir; gon choose, I am on ythe up  
the bou and the man ya I am all in one  
but I used to be the one that caught the bus  
on that red line 1  
fdon't need transit  
only crew no friends whne you ee me that's it  
thet ain't even like me last year  
now they know my face  
china on the pace  
we be in the place  
damn, like the K-Dot CD  
they watch me like I ma on TV  
Brough this shit back but I ain't got receipts  
sookin' up  
Boby Flay when I am on this beat

they go tme in a bad place  
might crash the whip in the valet  
all about my cheese  
it's a rat race  
if you ain't in first you in last place!
