OneRepublic, Sunshine

Runnin' through this strange life
Chasin' all them green lights
Throwin' out the shade for a little bit of sunshine
Hit me with them good vibes
Pictures on my phone like
Everything is so fine
A little bit of sunshine

Crazy lately I've been findin'
Tryna write myself with something
You just tryna get a word and life is not fair
I've been workin' on my tunnel vision
Tryna get a new prescription
Takin' swings and even missing
But I don't care

I'm dancin' more just a little bit
Breathin' more just a little bit
Fail a little less just a little bit
My life is woo-hoo!
I'm makin' more just a little bit
Spend a little more to get rid of it
Smile a little more and I'm into it

I’ve been runningh theorugh this strange life
Chasing all tehm green lights
Throwing out the shade for a little bit of sunshine
It me witych tehm good vibes
Pictures on my phone like ebverything is so fine
A little bit of sunshine
