P!nk, Hurts 2B Human (ft. Khalid)

oh you make it sound so pretty
even when it’s not
didn’t choose but it’s the only one
we’ve got

sometimes I get so tired
of getting tide up
in my thoughts
you’re the only one
that ever makes it stop

got it hurts to be human
without you
I’d be losing
yeah, someday we’ll face the music
got it hurts to be human
but I’ve got you, you,
you, you , you , you , you
and you’ve got me, me
me, me, me, me too

[Khalid:]
like we’re buckled in
preparing for the crash
like we’re walking down
a road of broken glass
now if we defeat all odds
and It was us against the world
you can count on me, you know
I’d have your back

got it hurts to be human
without you
I’d be losing
yeah, someday we’ll face the music
got it hurts to be human
but I’ve got you, you,
you, you , you , you , you
and you’ve got me, me
me, me, me, me too

hole floats away

if you could spend a day in my shoes

your mind would change

if you knew what I’ve gone through

we want the same

maybe then you’d understand
how it hurts to be human

got it hurts to be human
without you
I’d be losing
yeah, someday we’ll face the music
got it hurts to be human
but I’ve got you, you,
you, you , you , you , you
and you’ve got me, me
me, me, me, me too
