Lies We Tell Ourselves"

Lies we tell ourselves
You ain't fooling anyone
Nobody's saying nothing
Everybody knows what's going on
It's the lies we tell ourselves
We make believe cuz it's so much fun
Nobody's saying nothing
Everybody knows what's going on

I hear these voices screaming in my head (Liar Liar Liar)
I don't care but this is what they said (Liar Liar Liar)
It's gotta be true if they say so?
I've heard it all before but I can't let it go
I don't know when this will ever end

Lies we tell ourselves
You ain't fooling anyone
Nobody's saying nothing
Everybody knows what's going on
It's the lies we tell ourselves
We make believe cuz it's so much fun
Nobody's saying nothing
Everybody knows what's going on

I hear these voices screaming in my head (Liar Liar Liar)
I don't care but this is what they said (Liar Liar Liar)
So many words but there's never a reason
Just cuz you said it once again I won't believe it
I lie to myself every now and then

Lies we tell ourselves
You ain't fooling anyone
Nobody's saying nothing
Everybody knows what's going on
It's the lies we tell ourselves
We make believe cuz it's so much fun
Nobody's saying nothing
Everybody knows what's going on

Lies we tell ourselves
You ain't fooling anyone
Nobody's saying nothing
Everybody knows what's going on
It's the lies we tell ourselves
We make believe cuz it's so much fun
Nobody's saying nothing
Everybody knows what's going on
