Panic! At The Disco, Dancing's Not A Crime

I’m a moonwalker
I’m like MJ up in the clouds
I know it sounds awkward
I’m filthy as charged
You’re a sweet talker
But darlin’ whatcha gonna say now
The midnight marauders
higher never come down

you can’t take me anywhere
anywhere
you can’t take me anywhere
anywhere
I am still uninvited
I am still gonna light it
I am gonig insane
and I don’t care
whenever they tell you

dancing, dancing
Dancing's Not A Crime
Unless you do it without me

dancing, dancing
Dancing's Not A Crime
Unless you
do it /4x
without me

and if you’re night crawling
I won’t take it lying down
I’ve got a few lawyers
and your guilty as charged
guilty s charge
we could be waltzing
but, darling, don’t be throwing shade now
don’t call me St. California
If you’re at another alter
Just gimme your vows
gimme your vows
