

James Arthur, Naked

hey, you there
can we take it to next level
baby, do you dare?
don't be scare
caused if you can say the words
I don't know
why I should care

cause here I am
I'm giving all I can
but all you ever do is mess it up

yes, I'm right here
I'm trying to make it clear
that getting half of you
just ain't enough
I'm not gonna wait
until you're done
pretending you don't need anymore

I'm standing here naked
naked, naked
I'm standing here naked
naked, naked
I'm not gonna try
till you decide
you're ready to swallow
all your pride
I'm standing here naked
naked, naked
I'm standing here naked
naked, naked

hey. get out
I've got nothing left to give
and you give me nothing now
read my mouth
if you ever want me back
then your walls need breaking down

cause here I am
I'm giving all I can
but all you ever do is mess it up

yes, I'm right here
I'm trying to make it clear
that getting half of you
just ain't enough
I'm not gonna wait
until you're done
pretending you don't need anymore

I'm standing here naked
naked, naked
I'm standing here naked
naked, naked
I'm not gonna try
till you decide
you're ready to swallow
all your pride
I'm standing here naked
naked, naked
I'm standing here naked
naked, naked

I wanna give you everything
I wanna give you everything
I wanna give you everything
I wanna give you everything

I wanna give you everything
I wanna give you everything
I wanna give you everything
I wanna give you everything

I'm not gonna wait
until you're gone
cause you pretended
you don't need anyone
Can't you see that I'm naked?
naked, naked
I'm standing here naked
naked, naked
I'm not gonna try
till you decide
you're ready to swallow
all your pride
I'm standing here naked
naked, naked
I'm standing here naked
naked, naked

I'm standing
I'm standing here
