# Pia Mia, I'm A Fan (ft. Jeremih)

He like the way I;ve been dancing in the mirror
I;m just hear, need no one to interfere
And I love how you keep that body fit
Got a cup just in cade tyou want a sip
I;m in love
/2x
With your sin
Wanna hug up on your skin
I can’t resist
Hit that one time /2x
Be like, who’s is this?

Baby /3x
Now we’re way too curious
I wanna take a picture
Take a picture
I’m in love with you

I could tell that you’re a fan
You’re a fan already /2x
Know the you a fan
He a fan already /2x

You a dancing mirror
I’m a fan already /2x
The way you dancing in the mirror

Tell me when’s the last time
That you had a good time?
Hit you on ta touchdown, now
Put you on this lifestyle
Boy., you with the best now
Have you make the right sounds now

We gona take it full speed on te droptop, now
Call me a 3P, cause I love foreplay
By the way you work
You got what I want

Baby /3x
Now we’re way too curious
I wanna take a picture
Take a picture
I’m in love with you

I could tell that you’re a fan
You’re a fan already /2x
Know the you a fan
He a fan already /2x

You a dancing mirror
I’m a fan already /2x
The way you dancing in the mirror
I’m a fan already /2x
