Pixie Lott, Best Day of My Life

I had a dream so big and loud
I jump so high I touch the clouds
I stretch my hands out to the sky
We dance with monsters through the night

I'm never gonna look back
I'm never gonna give it up, no!
Please don't wake me now

This is gonna be the best day of my life, my life
/2x

I howled at the moon with friends
And then the sun came crashing in
But all the possibilities
No limits just epiphanies!

I hear it calling outside my window
I feel it in my soul

This is gonna be the best day of my life, my life
