Robert M, Summer (feat Ada & AR)

no, i don’t wanna be alone

we gonna be forever young
always ever for the
I swear you never gone get old
we will be stuck at 23

got my t0shirt off
and my hands on yours

maybe thet’s //
when the people don’t care
..
and my friends messed up
party don’t stop, baby
how you did find love in here

don’t wanna be alone for the summer
don’t wanna go home to my empty sheets
I built a place for beautiful people
I saw you baby waiting for
don’t wanna be alone for the summer
don’t wanna go home to my empty sheets
I built a place for beautiful people
I saw you baby waiting for
