Rudimental, These Days (ft. Jess Glynne, Mackle

i know you moved onto someone new
hope life is beautiful
you were the life oh me to find my truth
I just wanna say, thank you

leaving to find my soul
told her I had to go
and I know it ain’t pretty
when two hearts get broken
too young to feel this old
watching us both turn cold
and I know it ain’t pretty
when I know it ain’t pretty
when two hearts get broken

I hope someday
we’ll sit down together
and laugh with each other
about these days,
all our trouble
we’ll lay to resr
and we’ll wish we could come back to these days
these days
these days these days these days

3 years of ups and downs
nothing to show for it now
and I know it ain’t pretty when the fire burns out
calling me when I;m drunk
and I know it ain’t pretty when the you’re trying to move on

I hope someday
we’ll sit down together
and laugh with each other
about these days,
all our trouble
we’ll lay to resr
and we’ll wish we could come back to these days
these days
these days these days these days

oh i know
I know
oh i know
I know

cigarettes and the ash tray
reminiscing of those pst days
i thought you dodn;t know me last name
But that changed
and I travelled around the World
think where you living at now?
I heard you moved to Oxford?
got a new apartment and settlrd down
and every once in a while
I start texting
write a paragraph
bur than I deleted the message
think about you like a past time
I could cry you a river
get you baptized or
I wasn’t ready to act right
used to always think I’d get you back, right
they sat that things fall apart

we were moved to Brooklyn
we were gonna study Art
love is just a tool
to remind who we are
and that we are not alone
and we're waiting in the dark

I hope someday
we'll sit down together
and laugh with each other
about these days,
all our trouble
we'll lay to resr
and we'll wish we could come back to these days
these days
these days these days these day
