sanah, Olivia Addams, Invisible Dress

I've been here for some time now
And I know
That I will
Be forever in this place

But your voice it keeps me breathing
Forgiving
Believing
Maybe someday it will change

And I'm looking into your eyes
And their eyes
And my eyes
And I'm trying to be brave

But my soul is always
Aching
And breaking
And shaking
All my friends
They've run away

Uuu oh no
(Ooh) I'm invisible
(Ooh) they don't see my face
Don't see my face
It stays the same

An invisible dress
Carry my heart
The way down low
I feel like I drown
An invisible heat
Let me out, please
I care about you
You don't care about me

An invisible dress
Carry my heart
A way down low
Feel like I drown
An invisible heat
Let me out, please
I care about you
You don't care about me
You don't care about me

I look up into the sky now
And I found
That my eyes
They're more blind every day
Can you love me for who I am
I'm trying
To hide it
The sadness on my face

oh no
(Ooh) I'm invisible
(Ooh) they don't see my face
Don't see my face
It stays the same

An invisible dress
Carry my heart

The way down low
Feel like I drown
An invisible heat
Let me out, please
I care about you
You don't care about me

An invisible dress
Carry my heart
The way down low
Feel like I drown
An invisible heat
Let me out, please
I care about you
You don't care about me
You don't care about me
