Sara James, Blue

But when I'm dreaming
I see things they never leave my mind
Memory seep in
Cut deep and...
Oh it's hard to tell you why

But my demons, u see them
There's reasons you feel how i feel
How i feel

So baby if you gonna break me
Could you hold my body while u let me down
I don't feel pain when you're around
So baby, no I won't be angry
Loving you is like
Getting burn
And feeling cold
Like 2 kids kissing in the snow

I know it's all worth it
I know
That you worth it
