Selena Gomez, Bad Liar

I was walking down the street the other day
Trying to distract myself
Then I see your face
Oh, you got someone else

Trying to play it cool
Trying to make it disappear
But just like the battle of Troy
There’s nothing subtle here

In my room there’s a king size space
Bigger than it used to be
If you want you can rent that place
Call me an amenity
Even if it’s in my dreams

Ooooh, you’re talking all perfection out my mind
Ooooh, every time I watch you serpentine

I’m trying /10x

Not to think about you
No, no, no
/2x

I’m trying /10x

Not to give it to you
No, no, no
Not to give it to you

All my feelings on fire
Guess, I’m a bad liar

I see how your attention builds
It’s like looking in a mirror
Your touch like a happy pill
But still all we do is fear

What could possibly happen next?
Can we focus on the love?
Paint my kiss across your chest
Be the art, I’ll be the brush

You’re thinking all perfection out my mine
Every time I watch you serpentine

I’m trying /10x

Not to think about you
No, no, no
Not think about you
/2x

I’m trying /10x

Not to give it to you
No, no, no
Not to give it to you

All my feelings on fire
Guess, I’m a bad liar

And baby let’s make reality

Actuality a reality
/2x

I’m trying /10x

Not to think about you
No, no, no
Not to think about you
/2x

I’m trying /10x

Not to give it to you
No, no, no
Not to give it to you

All my feelings on fire
Guess, I’m a bad liar
