Shawn Mendes, Wonder

I Wonder if i am being real
Do i speak my truth
Or do i filter hw i feel?
I Wonder, wouldn’t it be nice
To live inside a world that isn’t black and white
I Wonder, what’s it’s like to be my friends
Hope that they don’t think i forget about tchem
I Wonder, I Wonder

Right before i close my eyes
The only thing that’s on my mind
Been dreaming that you feel it too
I Wonder what’s it’s like to be loved by you
I Wonder what’s it’s like
I Wonder what’s it’s like to be loved by

I wonder, wht i am so afraid
Of saying something wrong
I never said i was a saint
I Wonder, when i cry into my hands
I am conditioned to feel like it makes me less of a man
And i Wonder if some day you’ll be by my side
And tell me that the world will end up alright
I Wonder, i Wonder

Right before i close my eyes
The only thing that’s on my mind
Been dreaming that you feel it too
I Wonder what’s it’s like to be loved by you
I Wonder what’s it’s like
I Wonder what’s it’s like to be loved by

I Wonder what’s it’s like to be loved by you
I Wonder what’s it’s like
I Wonder what’s it’s like to be loved by

Right before i close my eyes
The only thing that’s on my mind
Been dreaming that you feel it too
I Wonder what’s it’s like to be loved by you
