# Sia, Incredible (feat. Labrinth)

Hey, you know the world gets tough
Say the word and I'll lift you up
Yeah, I know the world gets tough
Say the word and I'll lift you up

Give me all your venom, yeah, I love that shit
Give it to me good, you know I won't get sick
Give me all your poison, I'm immune to it
I'm immune to it
Give me all your venom, yeah, I love that shit
Give it to me good, you know I won't get sick
Give me all your poison, I'm immune to it
I'm immune to it (Huh)

I am incredible, incredible, incredible, hey
