Julia Wincenciak, If I Ain't Got You

Some people live for the fortune

Some people live just for the fame

Some people live for the power, yeah

Some people live just to play the game

Some people think that the physical things

Defines what's within and I've been there before

But that life's a bore

So full of the superficial

Some people want it all

But I don't want nothing at all

If it ain't you, baby

If I ain't got you, baby

Some people want diamond rings

Some just want everything

But everything means nothing

If I ain't got you, yea

Some people search for a fountain

The Promise is forever young

Some people need three dozen roses

And that's the only way you prove you love them

Hand me the world on a silver platter

And what good would it be

With no one to share

With no one who truly cares for me

Some people want it all

But I don't want nothing at all

If it ain't you, baby

If I ain't got you, baby

Some people want diamond rings

Some just want everything

But everything means nothing

If I ain't got you

Some people want it all

But I don't want nothing at all

If it ain't you, baby

If I ain't got you, baby

Some people want diamond rings

Some just want everything

But everything means nothing

If I ain't got you, yeah

I ain't got you with me, baby

Said nothing in this whole wide world

Don't mean a thing

If I ain't got you with me, baby
