

# Jussie Smollett, No Doubt About It (feat. Pitbull)

(Ain't no, no, no, no, no doubt about it)  
Mister Worldwide  
(Ain't no, no, no, no, no doubt about it)  
Reporting live from the Empire  
Jamal let's show them how to get off the chain  
Off the glass, off the flip, off the rip, let's ride

All we want is a party  
Have some sh\*ts with somebody  
Take the music and turn it all the way up  
If you came here to party  
And ain't no doubt about it  
Say no doubt about it  
Say ain't no doubt about it  
Ain't no, no, no, no, no doubt about it, hey, hey  
Ain't no, no, no, no, no doubt about it oh, oh  
Ain't no doubt about it, hey  
Ain't no doubt about it  
There ain't no doubt about it

Come over to the party, come over to the party  
Who they gonna see? Who they gonna see?  
It's P-I-T and your boy Jamal, and we off the heezy  
Everybody say hey oh, alright, everybody say hey oh, alright  
Baby if you ain't on the dance floor  
Then baby what you got all that a\*s for?  
Let me show you how we do it  
Show her to the club where the bad ones do it  
Line up the sh\*ts, throw it back, do it  
Light it, throw it in the air, do it  
You wanna take it off, baby, do it  
In this party ain't no social media  
No camera phones, so let's get it on  
You can do what you wanna do  
And do who you wanna do  
Be what you wanna be  
Freak who you wanna freak  
Beep beep who got the keys to the suite?  
Vroom, skeet, skeet  
Ella dice que no asta enamorada de mi  
Pero la gusta como yo lo doy  
Mami esta noche fiesta  
Mañana puedes ser honesta  
Dale

Don't mean no harm  
Please forgive me if I'm causing you alarm  
But the DJ, he just played my favorite song  
And you look like you're ready, so come on  
Baby come on

All we want is a party  
Have some sh\*ts with somebody  
Take the music and turn it all the way up  
If you came here to party  
And ain't no doubt about it  
Sing no doubt about it  
Say ain't no doubt about it  
Ain't no, no, no, no, no doubt about it, hey, hey  
Ain't no, no, no, no, no doubt about it oh, oh  
Ain't no doubt about it, hey  
Ain't no doubt about it  
There ain't no doubt about it

Ain't nothing more important to me right now  
Than this sh\*t of Tequila  
I've earned the right to just not give a damn  
About a damn thing but throwing my hands up  
I want it all night, all night with you  
You and your friends  
And we gonna watch the sunrise  
If it's alright with you  
And then we'll do it all again

Don't mean no harm  
Please forgive me if I'm causing you alarm  
But the DJ, he just played my favorite song  
And you look like you're ready, so come on  
Baby come on,

All we want is a party  
Have some sh\*ts with somebody  
Take the music and turn it all the way up  
If you came here to party  
And ain't no doubt about it  
Sing no doubt about it  
Say ain't no doubt about it  
Ain't no, no, no, no doubt about it, hey, hey  
Ain't no, no, no, no doubt about it oh, oh  
Ain't no doubt about it, hey  
Ain't no doubt about it  
There ain't no doubt about it

I ain't got a damn thing on my mind  
But having me a real, real good time  
I ain't got a damn thing on my mind  
But having a good time  
(I ain't got a damn thing on my mind)

All we want is a party  
Have some sh\*ts with somebody  
Take the music and turn it all the way up  
If you came here to party  
And ain't no doubt about it  
Sing no doubt about it  
Say ain't no doubt about it  
Ain't no, no, no, no doubt about it, hey, hey  
Ain't no, no, no, no doubt about it oh, oh  
Ain't no doubt about it, hey  
Ain't no doubt about it  
There ain't no doubt about it
