Silia Kapsis, Liar (Cypr - piosenka na Eurowizja 2

Wakin' up in the morning and I'm, I'm feeling like ooh-la-la
It's about to go down 'cause I found out the truth, la-la
Nine o'clock in the morning and I know this is our last night
I know what I'm doing 'cause, yeah, I got it on black and white

Should've known that you are a liar, but I look the other way
Should've known you're a troublemaker, but you act too nice to hate
I know we couldn't get much higher, but you promised the world to me
Do you see that you light my fire? Now I know what I do

Because of you
I'll make it through

Take a look at yourself 'cause that's what you need to do, to do
'Cause the only problem in this room is that 'bout you, 'bout you

'Cause you're a liar
Liar, liar, liar (Yeah, yeah, yeah)
You liar, liar, liar, liar (Yeah, yeah, yeah)

Wakin' up in the morning and I'm, I'm feeling like ooh-la-la
Now I know that your heart and your mind's on the line, la-la
I can see it in your eyes that you don't like to be this way
I don't let you fight in back, guys like you can't be changed

Should've known that you are a liar, but I look the other way
Should've known you're a troublemaker, but you act too nice to hate
I know we couldn't get much higher, but you promised the world to me
Do you see that you light my fire? Now I know what I do

Because of you
I'll make it through

Take a look at yourself 'cause that's what you need to do, to do
'Cause the only problem in this room is that 'bout you, 'bout you

'Cause you're a liar (Yeah, yeah, yeah)
(Yeah, yeah, yeah)

Because of you
I'll make it through

Take a look at yourself 'cause that's what you need to do, to do
'Cause the only problem in this room is that 'bout you, 'bout you
'Cause you're a liar
