Singer Or Sinner, Look what you made me do

i see you follow my steps
step by step right to my grave
step by step right to my grave

you hold me
now you call me freak
full retard

you call me
loser and loser
go and die in a hole
go and die in a hole

did you know
did you know
i was hur before
you didn't know

Look what you made me do
Look what you made me do
