## K.Flay, Run For Your Life (utwór z filmu "Tomb R

Don't count me out just cause I'm down boy, I've been down before Fate has a way od playing games and I've been keeping score

they tried to tell me I was lost in the forest like a cub with no mother when I actually was where I wanted

bite off the venomous head follow the chemical scent look for the hole n the fence take everything you demand fast as you can and run for your life run for your life

don't show your face they'll lock the cage if you're an easy mark I made a plan of sweet revenge I want to take it too far

bite off the venomous head follow the chemical scent look for the hole n the fence take everything you demand fast as you can and run for your life run for your life
