# SiR, Hair Down (ft. Kendrick Lamar)

I been goin’ silly for the Westside
you might catch me rollin’ where
the reps ride
ain’t no opposition
I am the best
right?
I might take my city on a test drive

you don’t wanna see me on a good day
you don’t wanna see me on a bad day
I as just a nigga with somehoop dreams
now I am in the league
now I am in the lead

I can slam dunk but I just layup
smokin’ marijuana till
what
wake up!
may not understand me
cause it’s all real
 am a real, real
and I don’t really give a damn how y’all feel
no, no!
