Stachursky, FUNKY RIDER (ft. DENN)

I’m a FUNKY RIDER
and i just want you to know
I’m a disco fighter
so I won’t let you go

I feel this power
it’s right between my legs
come on closer baby
you can take it in your hands

watch out
I show you something
I know you will be impressed
I’m a FUNKY RIDER
the other guys go depressed

I’m a FUNKY RIDER
FUNKY RIDER
FUNKY RIDER
FUNKY RIDER
FUNKY RIDER
FUNKY RIDER
I’m a FUNKY RIDER

here I come
not alone
so keep riding on
supersonic vibe
you’re never get on

move your ass
do your best
let the vibe makes the rest
and I can tell
it rings the bell
it rings the bell
and I can tell
it rings the bell

it rings the bell

I’m a FUNKY RIDER
