Free To Love Again

I've never loved you more
but in a different way
I'll be a disappointment to you every single day

I am no the one your looking for
let me save you
from your pain
it's time for me to let you go
so you're
Free To Love Again

yes, Free To Love
yes, Free To Love Again
yes, Free To Love
yes, Free To Love Again

Free To Love Again
Free To Love Again
Free To Love Again
Free To Love Again

I could never give to you
all the things that you deserve
I know that if you stay with me
you'll just wind up
getting hurt

I know what you can't see it now
but I won't let you pretend
just see it as a brand new start
don't see it as the end

yes, Free To Love
yes, Free To Love Again
yes, Free To Love
yes, Free To Love Again
