STORMZY, BIG FOR YOUR BOOTS

You’re getting way too big for your boots
You’re never too big for the boot
I’ve got the big size 12 on my feet
Your face ain’t big for my shoot
Kick up the youth
Man, know that I kick up thr youth
Demn boy dare tried twist up the truth
How dare you twist up the truth
Look, you’re getting way too big for the boot
I’ve got the big size 12 on my feet
Your face ain’t big for my shoot
Kick up the youth
Man, know that I kick up thr youth
Demn boy dare tried twist up the truth
How dare you twist up the truth
