

# Katy Perry, Bon Appétit (ft. Migos)

Cause I'm all the you want, boy  
All the you can have, boy  
Got me spread like a buffet  
Bon Appétit, baby  
Appetite for seduction  
Fresh out the oven  
Melt in your mouth kinda of loving  
Bon Appétit, baby

Looks like you've been starving  
You've got those hungry eyes  
You could use some sugar  
Cause your levels ain't right  
I'm a 5 stars Michelin  
A Kobe flown in  
You want what I'm cooking, boy

Let me take you  
Under candle light  
We can wine and dine  
A table for 2  
And it's ok.  
If you take your time  
Eat with your hands, fine  
I'm on the menu

Cause I'm all the you want, boy  
All the you can have, boy  
Got me spread like a buffet  
Bon Appétit, baby  
Appetite for seduction  
Fresh out the oven  
Melt in your mouth kinda of loving  
Bon Appétit, baby

So you want some more  
Well, I'm open 24  
Wanna keep you satisfied  
Customer's always right  
Hope you've got some room  
For the world's best cherry pie  
Gonna hit that sweet tooth, boy

Let me take you  
Under candle light  
We can wine and dine  
A table for 2  
And it's ok.  
If you take your time  
Eat with your hands, fine  
I'm on the menu

Cause I'm all the you want, boy  
All the you can have, boy  
Got me spread like a buffet  
Bon Appétit, baby  
Appetite for seduction  
Fresh out the oven  
Melt in your mouth kinda of loving

Sweet potato pie  
It'll change your mind  
Got you running to beck for seconds  
Every single night

I'm the one  
The say can change your life  
No waterfall  
She dripping wet, you like my ice?  
She say she wants a Migo night  
Now I ask her  
What's the price?  
Hold on!  
Is she do right, told her get whatever you like

I grab her legs and now divide, aight  
Mahke her do a donut when she ride, aight  
Looking at the eyes of a dime  
Make you blind  
In her spine and my diamonds change the climate

Sweet tooth, no tooth fairy  
Whipped cream, no diary  
She got her hot light on screaming  
I'm ready  
Bo horses, no carriage

Cause I'm all the you want, boy  
All the you can have, boy  
Got me spread like a buffet  
Bon Appétit, baby  
Appetite for seduction  
Fresh out the oven  
Melt in your mouth kinda of loving
