

Katy Perry, Cry About It Later

I'll cry about it later
I'll cry about it later
Tonight i am having fun
Tonight i am having fun
I'll cry about it later
I'll cry about it later
Tonight i am getting some
Tonight i am getting something brand new

I know tomorrow i'll be love hungover
But i am ready for a shameless summer
Champagne on ice only makes you stronger

Pourin' it
Pourin' it
Pourin' it
Non-stop
Drinkin' it
Drinkin' it
Drinkin' it
All up
Body to body i almost forgot
You're not him
You're not her

I'll cry about it later
I'll cry about it later
Tonight i am having fun
Tonight i am having fun
I'll cry about it later
I'll cry about it later
Tonight i am getting some
Tonight i am getting something brand new

I think i am ready yo be someone's new muse
I think i am ready for a brand new tattoo
I am going to fake it till it makes me feel good

Pourin' it
Pourin' it
Pourin' it
Non-stop
Drinkin' it
Drinkin' it
Drinkin' it
All up
Body to body i almost forgot
You're not him
You're not her

I'll cry about it later
I'll cry about it later
Tonight i am having fun
Tonight i am having fun
I'll cry about it later
I'll cry about it later
Tonight i am getting some
Tonight i am getting something brand new
