Sylwia Grzeszczak, All for you

Lock with the key
All secret code
How do I open your heart?
He wants to live?
He brings a light
When my Sun is going down
I’m losing my mind

Lost in this speak boy
When… street
But I’m not giving up
I will fight till the end
All for you
All for you
All for you
All for you

I dream about
Wait for you coming
…
Please come with me
Do …
I just really want to play this game
And want let go

Lost in this speak boy
.. dream
…
I just want you to know:
Nobody but you
So reach, so poor
So please let me in
And we all got to root
All for you
All for you
All for you
All for you

All for you
