

Katy Perry, Witness

If I lost it all today would you stay?
Could my love be enough to stimulate?
If shit hit the fan, grenades get thrown
Would you still show?
Could you go down with me to the mat?
Could we get back up
And eventually laugh
Roll eyes at heights
Cheer in the lows
And stay in the flow

Cause I only got this life
And I ain't got the time, no
Not to get it right

We're all just looking for connection
We all want to be seen
I'm looking for someone who speaks my language
Someone to ride this ride with me
Can I get a witness?
Will you be my witness?
I'm just looking for a witness in all of this
Looking for a witness to get me through this

When you tell me everything and there's no holes
You can scroll through anything
You've got the codes
Nothing to hide
It's all in their eyes
And we just know

Cause I, I only got this life
And I ain't got time, no
No to get it right

We're all just looking for connection
We all want to be seen
I'm looking for someone who speaks my language
Someone to ride this ride with me
Can I get a witness?
Will you by my witness?
I'm just looking for a witness in all of this
Looking for a witness to get me through this

Will you be my witness?
Could you be the one that speaks for me
Will you be my witness

We're all just looking for connection
We all want to be seen
I'm looking for someone who speaks my language
Someone to ride this ride with me
Can I get a witness?
Will you by my witness?
I'm just looking for a witness in all of this
Looking for a witness to get me through this
